

Dear Honorable Joseph J. Farnan \$  
 Parties involved,

08-210

I am victim to unnecessary delay in indictment and Speedy Trial, ranging from "45 to 60 days, to 120 days". Other concerns are Medical inadequate Services and in general S.O.P.'s in which I was hostage to official misconduct and more negligence — this pass August 13<sup>th</sup> 07, and been subject to scrutiny of, Crue and Unusual punishment inflicted, adding insult to injury. I'm motioning 46 I, 48 b to address this false imprisonment and incident stemming from officers acting out of line of duty; in hopes that you'll Sanction these cases # 0610022028, 0708018465, 06-12010374 pending trial in unnecessary delay in and for Superior Court.

Sincerely
